ThyssenKrupp Elevator will test your equipment in accordance with those annual (exclude 3 year and 5 year) periodic testing requirements as outlined in the American National Safety Code for Elevators and Escalators, ANSI A 17.1, which are in effect at the time this agreement is executed. In the event that the state, city or local governing authority in which the equipment is located has adopted different requirements, ThyssenKrupp Elevator will test your equipment in accordance with those annual (exclude 3 year and 5 year) periodic testing requirements in effect at the time this agreement is executed. You agree to pay for any costs of the inspector and/or inspection fees. Special considerations regarding Periodic Safety Testing are set forth below.

Product Information. You agree to provide ThyssenKrupp Elevator with current wiring diagrams that reflect all changes, parts catalogs, and maintenance instructions for the equipment covered by this agreement (exception: we will supply all of the above for new ThyssenKrupp elevators at no additional cost). You agree to authorize us to produce single copies of any programmable device(s) used in the equipment for the purpose of archival back-up of the software embodied therein. These items will remain your property.

Safety. You agree to instruct or warn passengers in the proper use of the equipment and to keep the equipment under continued surveillance by competent personnel to detect irregularities between elevator examinations. You agree to immediately report any condition that may indicate the need for correction before the next regular examination. You agree to immediately shut down the equipment upon manifestation of any irregularities in either the operation or the appearance of the equipment, to immediately notify us, and to keep the equipment shut down until the completion of any repairs. You agree to give us immediate verbal notice and written notice within ten (10) days after any occurrence or accident in or about the elevator. You agree to provide our personnel with a safe place to work. You agree to provide a suitable machine room, including secured doors, waterproofing, lighting, ventilation, and appropriate air temperature control to maintain that room at a temperature between 50°F and 90°F. You also agree to maintain the elevator pit in a dry condition at all times. Should water or other liquids become present, you will contract with others for removal and the proper handling of such liquids. We reserve the right to discontinue work in the building whenever, in our sole opinion, our personnel do not have a safe place to work. You also agree that if ThyssenKrupp Elevator's inspection of a piece of equipment serviced under this agreement reveals an operational problem which, in ThyssenKrupp Elevator's sole judgment, jeopardizes the safety of the riding public, ThyssenKrupp Elevator may shut down the equipment until such time as the operational problem is resolved. In that event, ThyssenKrupp Elevator will immediately advise you in writing of such action, the reason for such action, and whether any proposed solution is covered by the terms of this agreement.

Other. You agree not to permit others to make alterations, additions, adjustments, or repairs or replace any component or part of the equipment during the term of this agreement. You agree to accept our judgment as to the means and methods employed by us for any corrective work under this agreement. Since ThyssenKrupp Elevator's top priority is the satisfaction of its customers, if you should have any concern(s) with the means and methods used to maintain or repair the equipment covered under this agreement, you agree to provide us with written notice of that concern and give us thirty (30) days to respond either in writing or commence action to appropriately resolve it.

In the event of the sale, lease or other transfer of the ownership or management of the premises in which the elevator(s) or equipment described herein are located, you agree to see that such transferee is made aware of this agreement and agrees to assume and/or be bound by the conditions hereof for the balance of the unexpired term of this agreement. Should the transferee fail to assume this agreement, you shall remain liable for all unpaid amounts, including those owed for the balance of the current unexpired term of this agreement.

In consideration of ThyssenKrupp Elevator performing the services herein specified, you expressly agree to indemnify, defend, save harmless, discharge, release and forever acquit ThyssenKrupp Elevator Corporation, our employees, officers, agents, affiliates, and subsidiaries from and against any and all claims, demands, suits, and proceedings brought against ThyssenKrupp Elevator, our employees, officers, agents, affiliates and subsidiaries for loss, property damage (including damage to the equipment which is the subject matter of this agreement), personal injury or death that are alleged to have been caused by the Purchaser or any others in connection with the presence, use, misuse, maintenance, installation, removal, manufacture, design, operation or condition of the equipment covered by this agreement, or the associated areas surrounding such equipment. Your duty to indemnify does not apply to the extent that the loss, property damage (including damage to the equipment which is the subject matter of this agreement), personal injury or death is determined to be caused by or resulting from the negligence of ThyssenKrupp Elevator and/or our employees. You recognize that your obligation to ThyssenKrupp Elevator under this clause includes payment of all attorney's fees, court costs, judgments, settlements, interest and any other expenses of litigation arising out of such claims or lawsuits.

Such insurance must insure ThyssenKrupp Elevator Corporation, along with its officers, agents, affiliates and subsidiaries for loss, property damage (including damage to the equipment which is the subject matter of this agreement), personal injury or death that are alleged to have been caused by the Purchaser or any others in connection with the presence, use, misuse, maintenance, installation, removal, manufacture, design, operation or condition of the equipment covered by this agreement, or the associated areas surrounding such equipment including such losses caused by or resulting from the negligence of

Purchaser's Internet availability equipment (including hardware and software) and Internet connection shall be provided by others. You acknowledge that data reported prior to January 1, 2004 may not be all-inclusive of work actually performed. Additionally, you acknowledge that any work performed by repair, modernization, and/or construction personnel may not be included or accessible in VIEW until ThyssenKrupp Elevator's PDA system for time reporting is fully deployed to all field employees. Requests for additional information and maintenance and service call activity tickets which are not generated by electronic means shall be made to your local ThyssenKrupp Elevator branch office as shown on page 1 of this agreement. ThyssenKrupp Elevator reserves the right to restrict access to this information if Purchaser's account has an outstanding unpaid balance greater than 30 days and/or if you have provided written notification of your intent to cancel our agreement and/or in the event of anticipated, pending or instigated litigation by either party.

Other Conditions. With the passage of time, equipment technology and designs will change. If any part or component of your equipment covered under this agreement cannot, in our sole opinion, be safely repaired and is no longer stocked and readily available from either the original equipment manufacturer or an aftermarket source, that part or component shall be considered obsolete. You will be responsible for all charges associated with replacing that obsolete part or component as well as all charges required to ensure that the remainder of the equipment is functionally compatible with that replacement part or component. In addition, we will not be required to make any changes or recommendations in the existing design or function of the unit(s) nor will we be obligated to install new attachments or parts upon the equipment as recommended or directed by insurance companies, governmental agencies or authorities, or any other third party. Moreover, we shall not be obligated to service, renew, replace and/or repair the equipment due to any one or more of the following: anyone's abuse, misuse and/or vandalism of the equipment; anyone's negligence in connection with the use or operation of the equipment; any loss of power, power fluctuations, power failure, or power surges that in any way affect the operation of the equipment; fire, smoke, explosions, water, storms, wind, lightning, acts of civil or military authorities, strikes, lockouts, other labor disputes, theft, riot, civil commotion, war, malicious mischief, acts of God, or any other reason or cause beyond our control that affects the use or operation of the equipment. You expressly agree to release and discharge us and our employees for any and all claims and/or losses (including personal injury, death and property damage, specifically including damage to the property which is the subject matter of this agreement) associated therewith or caused thereby. ThyssenKrupp Elevator shall also automatically receive an extension of time commensurate with any delay in performance caused by or related to the aforementioned and you expressly agree to release and discharge ThyssenKrupp Elevator from any and all claims for consequential, special or indirect damages arising out of the performance of this agreement. In no event shall ThyssenKrupp Elevator's liability for damages arising out of this agreement exceed the remaining unpaid installments of the current, unexpired term of this agreement.

Should your system require any of the safety tests on the commencement date of this agreement, ThyssenKrupp Elevator assumes no responsibility for the day-to-day operation of the governor or safeties on traction elevators, or the hydraulic system on hydraulic elevators under the terms of this agreement until the test has been completed and the equipment passed. Should the respective system fail any of those tests, it shall be your sole responsibility to make necessary repairs and place the equipment in a condition that we deem acceptable for further coverage under the terms of this agreement. We shall not be liable for any damage to the building structure or the elevator resulting from the performance of any safety tests we perform at any time under this agreement. If during the initial firefighter's service test, that feature is found to be inoperable, you shall be responsible for all costs associated with necessary repair(s) to bring the elevator(s) into compliance with the applicable elevator codes in your local jurisdiction.

In the event a third party is retained to enforce, construe or defend any of the terms and conditions of this agreement or to collect any monies due hereunder, either with or without litigation, the prevailing party shall be entitled to recover all costs and reasonable attorney's fees.

You hereby waive trial by jury. You agree that this agreement shall be construed and enforced in accordance with the laws of the state where the equipment is located. You consent to jurisdiction of the courts, both state and Federal, of the state in which the equipment is located as to all matters and disputes arising out of this agreement.

In the event any portion of this agreement is deemed invalid or unenforceable by a court of law, public policy or statute, such finding shall not affect the validity or enforceability of any other portion of this agreement.

Our rights under this agreement shall be cumulative and our failure to exercise any rights given hereunder shall not operate to forfeit or waive any of said rights and any extension, indulgence or change by us in the method, mode or manner of payment or any of its other rights shall not be construed as a waiver of any of its rights under this agreement.

Price. The price for the services as stated in this agreement shall be **Two Hundred Thirty-Nine and 14/100 dollars (\$ 239.14)** per month, excluding taxes, payable quarterly in advance.

Platinum Maintenance Agreement

Annual Price Adjustments. Since our costs to provide you with the service set forth in this agreement may increase, we reserve the right to adjust the price of our service under this agreement accordingly. In the event this occurs, we will adjust your monthly price based on the percentage change in the average rate paid to elevator examiners. This rate paid to elevator examiners consists of the hourly rate paid to examiners plus fringe benefits and union welfare granted in place of or in addition to the hourly rate. Fringe benefits include pensions, vacations, paid holidays, group insurance, sickness and accident insurance, and hospital insurance. We also reserve the right to make additional adjustment to the price of our service under this agreement and/or enact surcharges as needed to account for increased fuel prices when such increases exceed the Consumer Price Index (CPI) current rate. We also reserve the exclusive right to make additional adjustment to the price of our service under this agreement in the event that the equipment covered by this agreement is modified from its present state.

Early Payment Discount. You may elect to pay in advance for twelve (12) months of service described in this agreement. Such a pre-payment entitles you to a 3% discount from the annual price in effect at the time of payment.

Overdue Invoices. A service charge of 1½% per month, or the highest legal rate, whichever is more, shall apply to all overdue accounts you have with ThyssenKrupp Elevator that are in any way related to your equipment described in this agreement. If you do not pay any sum due to ThyssenKrupp Elevator related to your equipment described in this agreement, regardless of whether it is billed pursuant to this agreement or any other with us, within sixty (60) days from the billing date, we may also choose to do one or more of the following: 1) suspend all service until all amounts due have been paid in full, and/or 2) declare all sums for the unexpired term of this agreement due immediately as liquidated damages and terminate our obligations under this agreement. If ThyssenKrupp Elevator elects to suspend service, we shall not be responsible for personal injury, death, damage to property (including damage to the equipment that is the subject matter of this agreement) or losses of any other type or kind that is in any way related the ThyssenKrupp Elevator's suspension of service. Upon resumption of service, you will be responsible for payment to ThyssenKrupp Elevator for all costs we incur that result from our suspension of service and to remedy any damage caused to your equipment during that time. Time is of the essence.

Acceptance. Your acceptance of this agreement and its approval by an authorized manager of ThyssenKrupp Elevator will constitute exclusively and entirely the agreement for the services herein described. All other prior representations or agreements, whether written or verbal, will be deemed to be merged herein and no other changes in or additions to this agreement will be recognized unless made in writing and properly executed by both parties. Should your acceptance be in the form of a purchase order or other similar document, the provisions of this agreement will govern, even in the event of a conflict. This proposal is hereby accepted in its entirety and shall constitute the entire agreement as contemplated by you and us. This proposal is submitted for acceptance within one-hundred twenty (120) days from the Date Submitted by the ThyssenKrupp Elevator representative indicated below.

No agent or employee shall have the authority to waive or modify any of the terms of this agreement without the prior written approval of an authorized ThyssenKrupp Elevator manager.
