ADDENDA 1

To: All Interested Vendors
From: Oscar Avila, Procurement Data Analyst
Date: November 29, 2018
Subject: RFQ 19-005, As-Needed Forensic Psychologist/Psychiatrist for the County of El Paso

The Purchasing Department has received the following questions:

1. There is a request to place El Paso County as an additional insured on the vendor's policy certificate. Are you requesting this to be attached to the malpractice insurance?

RESPONSE: There is no need for vendor to add the County as an additional insured to their malpractice insurance.

2. Policy of public liability and property damage. Since these evaluations occur at the County facility, wouldn't the County have this?

RESPONSE: This is not required for this Request for Qualifications.
