Subject: County Purchasing New Vendor/Bid System & Online Vendor Registration

---

The Purchasing Department has implemented its new bid processing vendor notification/registration system. The new system will allow vendors to register and maintain their vendor file in real time without the intervention of the Purchasing Department. Vendors will maintain their address information and contact information; as well as the commodity information that the vendor wants to be considered for on County bid solicitations. Vendors will be given a choice of receiving hard copy bid notifications, or electronic notifications to the vendors designated email and/or cellular telephone text number. We hope that the changes will help our vendors receive their solicitations in a more effective and efficient manner that will benefit both the County and the vendor with more timely, accurate, competitive bids.

All vendors wishing to receive or continue to receive bid notifications must register in this new system at www.epcounty.com. /Bids & More/Vendors List. Thank you for your cooperation. If you have any questions, please contact us at (915)546-2048.

Electronic Payment and Processing Services for the County of El Paso

RFP 21-021

Opening Date
Thursday, May 13, 2021

SCOPE

The scope of services includes electronic payment and processing services for the County of El Paso for a three (3) year contract term with two (2), one-year options to renew.

The County reserves the right to use multiple vendors, each vendor being awarded certain specific applications or services if an acceptable single vendor cannot be found or if software specifications limiting the choice of vendor exists. By law, counties must solicit these types of services.

Vendor would not be required to use the current processing gateway. The County prefers a cloud-based solution.

BACKGROUND/CURRENT SITUATION

The County uses one vendor to process credit and debit cards by Point-of-Sale Equipment, web-based transactions, and kiosks/pay stations.

Currently, the following departments process electronic payments in some form: County Attorney, County Auditor, County Clerk, District Clerk, Domestic Relations, Community Supervision and Corrections, Elections, Facilities, Financial Recovery, Justices of the Peace, Juvenile Probation, Law Library, Parks & Rec, Public Works, Sheriff, Tax Assessor-Collector. However, A situation may arise that a department may have to use a different vendor due to contractual or functionality circumstances.

The County uses approximately 175 POS terminals and has 87 Merchant IDs county wide. The County does not own any POS hardware. Vendor is responsible for providing all new equipment. Currently the County does not require cash drawer processing. There are approximately 40 locations that collect payments for the County.

The County currently uses 3 kiosks and is interested in additional ones. Therefore, if vendor offers Kiosk terminals, include kiosks in the proposal response.

County's transaction volume information for fiscal year 2020 is provided in Exhibit A – Table FY20 Combined CC transactions.

The County keeps expanding its options for electronic payment to our citizenry but has not calculated a transaction growth. Real estate or property taxes collections are not included in this proposal.

The County currently partners with Tyler Munis, Tyler Cashiering, Tyler Odyssey, GTL (for kiosks), iPlow and has home grown applications.

Effective January 1, 2016, Texas Legislature adopted House Bill 1295, which states that a governmental agency may not enter into certain contracts with a business entity, unless the business entity submits a disclosure of interested parties to the governmental entity. **This Certificate of Interested Parties - Form 1295 must be submitted before the county can enter into the contract**

- The Form 1295 must be submitted online at https://www.ethics.state.tx.us/whatsnew/elf_info_form1295.htm.
- Upon completion, you will be provided a verification printout.
- The printout must be notarized and then submitted to the County of El Paso for verification.

Upon the County's receipt of your notarized Form 1295, the contracting process can begin. Failure to complete and submit the Form 1295 will delay the contract from possibly being awarded and could result in loss of the contract
