Dear Mr. Fulton:

The County Auditor's Internal Audit division performed an audit of the Ascarate Toll Booth and Rental financial records to determine if internal controls are adequate to ensure proper preparation of the Ascarate Toll Booth and Rental financial reports. Policies, procedures and regulations were also reviewed to ensure processes are documented, operating, compliant and efficient.

The audit report is attached. We tested six financial controls and one operating control with a total of 128 samples. There were no findings noted as a result of the audit procedures. We wish to thank the management and staff of Ascarate Park for their assistance and courtesies extended during this audit.

Because of certain statutory duties required of the County Auditor, this office is not independent in regard to your office, as defined by AICPA professional standards. However, our audit was performed with objectivity and due professional care.

Respectfully,

Barbara Parker  
County Auditor

## Ascarate Toll Booth and Rentals For the Period May 2023 to May 2024

### FINDINGS AND ACTION PLAN

#### BACKGROUND

The Ascarate Park Toll Booth collects Commissioners Court approved gate entrance fees for the park. The park is open every day; however, the toll booth only collects fees in the amounts of \$5.00 for scheduled special events and certain holidays. Customer receipts are generated by the Ascarate Park collection software (RecWare). The park administrative office is responsible for booking and recording payment of all rentals. Ascarate Park rentals include soccer and baseball fields, the pavilion, picnic shelters and hosting special events; they also collect for rentals of the San Elizario Placita. Financial reports are generated from RecWare showing daily collections for each month and are accounted for in the County’s financial accounting system, Enterprise ERP. Ascarate Park rentals experienced an increase in revenues due to a marketing initiative and the recovery from the pandemic that impacted social events the past two years. Collections for 2021, 2022, and 2023 are illustrated below:

To achieve the audit objectives, we:

- Reviewed documented policies and procedures for contracts, rentals, toll booth collections and overall Ascarate Park operations.

**INHERENT LIMITATIONS**

This financial review was designed to provide reasonable assurance that the internal control structure is adequate to safeguard the County’s assets from misrepresentation, loss, theft, or misuse. The County’s internal control structure is designed to provide reasonable, but not absolute assurance that these objectives are met. The concept of reasonable assurance recognizes that: (1) the cost of implementing the controls should not exceed the benefits likely to be derived; and (2) the valuation of costs and benefits requires the use of estimates and judgment by management. Because of the inherent limitations in any system of internal controls, errors or irregularities may occur and not be detected.

**CONCLUSION**

The Toll Booth continues to implement improvements in their operations and met all the seven audit objectives. Therefore, no recommendations were provided in this report.
