Dear Judge Serna,

The County Auditor's Internal Audit division performed an audit of the Justice of the Peace, Precinct Number 6 Place 2 (JP6-2) to determine if internal controls are adequate to ensure proper preparation of JP6-2 financial reports. Policies, procedures and regulations were also reviewed to ensure processes are documented, operating and efficient.

The audit report is attached. We tested three operational and seven financial controls with a total of 113 samples. There were no noted findings as a result of the audit procedures. We wish to thank the management and staff of JP6-2 for their assistance and courtesies extended during this audit.

Because of certain statutory duties required of the County Auditor, this office is not independent in regard to your office, as defined by AICPA professional standards. However, our audit was performed with objectivity and due professional care.

Respectfully,

A handwritten signature in blue ink that reads "Barbara Parker".

Executive Summary

BACKGROUND

Precinct 6 Place 2 (JP6-2) has judicial power over criminal cases involving minor offenses under their jurisdiction and civil matters where the amount in controversy does not exceed \$20,000. Other duties include issuing search and arrest warrants and the performance of marriage services. The current Justice of the Peace for JP6-2 has been in office since January 1, 2015. This audit was performed by Phillip Trevizo, internal auditor and Maribel Ruiz, audit accountant. The most recent prior audit report was issued on June 9, 2023, and had no findings.

FINANCIAL REPORTING

Financial reports are generated from the Odyssey Courts and Justice System (Odyssey) showing all transactions occurring each month. The following chart is a comparison of fees collected at JP6-2 for the past three fiscal years. The increase in collections from fiscal years 2022 and 2023 is due to an increase in civil case filings.

INHERENT LIMITATIONS

This financial review was designed to provide reasonable assurance that the internal control structure is adequate to safeguard the County’s assets from loss, theft, or misuse. The County’s internal control structure is designed to provide reasonable, but not absolute assurance that these objectives are met. The concept of reasonable assurance recognizes that: (1) the cost of implementing the controls should not exceed the benefits likely to be derived; and (2) the valuation of costs and benefits requires the use of estimates and judgment by management. Because of the inherent limitations in any system of internal controls, errors or irregularities may occur and not be detected.

CONCLUSION

JP6-2 met all ten objectives of this audit. Internal controls are adequate to ensure proper preparation of the financial reports. Processes documented appear to be operating efficiently.
