

Payments

The County Clerk's office only accepts credit cards and escrow accounts as forms of payment for eRecording services

- All major credit cards are accepted via the web portal
 - Payments for all electronically recorded documents will be processed through the County's credit card vendor (VPS)
- Credit card convenience fees will apply to all transactions as show below:
 - \$1.95 to all transactions under \$87.00
 - 2.25% of total for transactions over \$87.00

Escrow accounts are available and linked to eRecording accounts

- There are no convenience fees for transactions using an escrow account
- To learn more about opening an Escrow account please contact the County Clerk's Accounting Division at 915-546-8132

All documents are immediately recorded after approval and upon payment

Payments can be made 24/7 through the application
