### **El Paso County Launches Survey to Enhance Official Websites**

**EL PASO, TX** — In an ongoing effort to enhance digital presence and improve communications, El Paso County is proud to announce a new survey inviting community feedback on its websites, [epcounty.com](http://epcounty.com) and [epcounty.com/sheriff/](http://epcounty.com/sheriff/). This outreach is aimed at seeking input from the public at large, as well as employees of El Paso County and the El Paso County Sheriff's Office.

From Feb. 5 to Feb. 29, the County seeks to gather insights regarding the structure, aesthetics, and usability of these key websites. The initiative reflects a broader goal to ensure the county's digital platforms are effective communication tools.

You can participate in this survey via the following link:

Participation is open to all, with the survey process requiring only 10 minutes to complete. All survey responses will remain anonymous.

This survey represents a pivotal step towards achieving a more connected and informed El Paso County.
