El Paso County Women Veterans in Uniform Photographs at Courthouse Wall of Courage

EL PASO, TX — **El Paso County**, the Veterans Capital of the USA, is proud of and appreciates the services and sacrifices of women in our military who proudly serve their country with dedication and courage. Every woman veteran is a hero who deserves to be recognized and honored for their commitment to duty, honor, and country.

In recognition of Women's Veterans Month, the Enrique Moreno County Courthouse now has over 75 photographs of women veterans in uniform displayed on the 'Wall of Courage'. The photos are located on the third floor inside the County Commissioners Court chambers and will be displayed for the entire month of June.

The public is invited to visit the 'Wall of Courage' and to pay their respects to the photographs of courageous women who proudly served the United States of America.

Women's Veterans Month will be celebrated by local groups and organizations throughout the County. For more information on these events, please contact the Veterans Services office at cvso@epcountytx.gov or call 915-273-3454.
