Road Closure Advisory for Horizon Mesa

EL PASO, TX— The County of El Paso is issuing a traffic advisory for an upcoming road closure in the far eastside, set to impact the intersections between Eastlake and Horizon Mesa, and Paseo de Este and Horizon Mesa. This closure will be in effect from January 29 to February 2, due to crucial utility work.

Important Details of the Closure:

- **Closure Dates:** January 29 to February 2.
- **Affected Area:** Intersections between Eastlake and Horizon Mesa, and Paseo de Este and Horizon Mesa.
- **Traffic Detour:** Northbound traffic will be rerouted to the southbound lanes on Horizon Mesa, which will accommodate two-way traffic.

A utility contractor will perform a utility tie-in to an existing water main along Horizon Mesa to service the new Paseo de Este unit 9 phase 2 subdivision, currently under construction. While the Horizon Mesa roadway near this project has been completed, it still requires striped lanes and signage installation. It is not yet open to public traffic.

The road closure is scheduled for Monday through Friday. However, drivers should be aware that the closure may extend beyond these dates if unforeseen issues or delays occur.

For the latest updates and more information, please visit the County of El Paso's website or follow County social media channels.
