Carlos:
I had asked Nancy to put an item on the consent agenda to pay the attached invoice.

Please follow that up. She may already have the language but I understand she had to leave.

Jaime - as we discussed Tuesday evening, I am attaching a copy of the outstanding Border Counties Coalition invoice. As you may recall, payment was approved during budget hearings last fall when my contract payment was reduced as an offset. I spoke to the Judge about this on Monday and he asked me to convey this to you. I appreciate your assistance in getting this paid.

Thanks,

David
