MONITORING CONTRACT

This is an agreement (along with a provided PO) between Nu-Con Safety & Sound

And the County of El Paso for the monitoring of Sparks sub station

Located at 12899 Sparks

Account # 393-1806 Fire alarm

Dated activated 4/6/10

For the fiscal year of Oct 2012 - Sept 2012

Price of \$20.00 per month

Description of service: Alarms are monitored by a UIL listed monitoring company.
When the alarm is activated, emergency response personnel will be notified.

Please keep your contact list with us current.

Also, if there are any excessive signals (trouble on the panels) The County must allow for us to service the system in order to correct any problems, \$75.00 per hour (plus parts, if applicable) Any excessive signals, should there be any, that are not corrected, will be billed to you accordingly.
