No delay or omission by any Holder to exercise any right or power accruing to him upon default shall impair any such right or power, or shall be construed to be a waiver of any such default or acquiescence therein, and every such right or power may be exercised from time to time and as often as may be deemed expedient. The specific remedies mentioned in this Order shall be available to the Holder of the Notes and shall be cumulative of all other existing remedies.

SECTION 8. USE OF NOTE PROCEEDS. The proceeds of the issuance of the Notes shall be deposited in the Construction Fund created by Section 18 of this Order and used for the purposes for which the Notes are hereby authorized to be issued.

SECTION 12. DEFEASANCE OF NOTES.

(a) Any Note and the interest thereon shall be deemed to be paid, retired, and no longer outstanding (a “Defeased Note”) within the meaning of this Order, except to the extent provided in subsection (d) of this Section, when payment of the principal of such Note, plus interest thereon to the due date (whether such due date be by reason of maturity or otherwise) either (i) shall have been made or caused to be made in accordance with the terms thereof, or (ii) shall have been provided for on or before such due date by irrevocably depositing with or making available to the Paying Agent/Registrar in accordance with an escrow agreement or other instrument (the “Future Escrow Agreement”) for such payment (1) lawful money of the United States of America sufficient to make such payment or (2) Defeasance Securities that mature as to principal and interest in such amounts and at such times as will insure the availability, without reinvestment, of sufficient money to provide for such payment, and when proper arrangements have been made by the County with the Paying Agent/Registrar for the payment of its services until all Defeased Note shall have become due and payable. At such time as the Note shall be deemed to be a Defeased Note hereunder, as aforesaid, such Note and the interest thereon shall no longer be secured by, payable from, or entitled to the benefits of, the ad valorem tax herein levied and pledged as provided in this Order, and such principal and interest shall be payable solely from such money or Defeasance Securities. Notwithstanding any other provision of this Order to the contrary, it is hereby provided that any determination not to redeem the Defeased Note that is made in conjunction with the payment arrangements specified in subsection (a)(i) or (ii) of this Section shall not be irrevocable, provided that: (1) in the proceedings providing for such payment arrangements, the County expressly reserves the right to call the Defeased Note for redemption; (2) gives notice of the reservation of that right to the Holder of the Defeased Note immediately following the making of the payment arrangements; and (3) directs that notice of the reservation be included in any redemption notices that it authorizes.

(b) Any moneys so deposited with the Paying Agent/Registrar may at the written direction of the County also be invested in Defeasance Securities, maturing in the amounts and times as hereinbefore set forth, and all income from such Defeasance Securities received by the Paying Agent/Registrar that is not required for the payment of the Note and interest thereon, with respect to which such money has been so deposited, shall be turned over to the County, or deposited as directed in writing by the County. Any Future Escrow Agreement pursuant to which the money and/or Defeasance Securities are held for the payment of Defeased Note may contain provisions permitting the investment or reinvestment of such moneys in Defeasance Securities or the substitution of other Defeasance Securities upon the satisfaction of the requirements specified in subsection 13(a)(i) or (ii) of this Section. All income from such Defeasance Securities received by the Paying Agent/Registrar which is not required for the payment of the Defeased Note, with respect to which such money has been so deposited, shall be remitted to the County or deposited as directed in writing by the County.

(c) The term “Defeasance Securities” means any securities and obligations now or hereafter authorized by State law that are eligible to discharge obligations such as the Notes.

(d) Until the Defeased Note shall have become due and payable, the Paying Agent/Registrar shall perform the services of Paying Agent/Registrar for such Defeased Note the same as if it had not been defeased, and the County shall make proper arrangements to provide and pay for such services as required by this Order.

(a) Replacement Note. In the event any Note is damaged, mutilated, lost, stolen, or destroyed, the Paying Agent/Registrar shall cause to be printed, executed, and delivered, a new Note of the same principal amount, maturity, and interest rate, as the damaged, mutilated, lost, stolen, or destroyed Note, in replacement for such Note in the manner hereinafter provided.

(d) Charge for Issuing Replacement Note. Prior to the issuance of a replacement Note, the Paying Agent/Registrar shall charge the Holder of such Note with all legal, printing, and other expenses in connection therewith. The approving legal opinion of the County's bond counsel may, at the option of the County, be printed on the Notes issued and delivered under this Order, but shall not have any legal effect, and shall be solely for the convenience and information of the Holder of the Notes.

SECTION 15. NOT TAX-EXEMPT OBLIGATIONS. The Notes shall not constitute "obligations" within the meaning of the Code.

SECTION 16. SALE OF NOTES.
